Charter guests looking for the ultimate wellbeing retreat can now experience a new standard of luxury with the exclusive new partnership between AXIOMA and The Organic Pharmacy. AXIOMA's world-class yacht spa is now only using products manufactured by this premier beauty brand in all guest treatments. This is first yachting partnership ever launched by The Organic Pharmacy, offering the opportunity to enjoy a unique experience not available on any other superyacht. Treatments are administered by AXIOMA's highly professional onboard team of trained specialists.

Margo Marrone, co-founder of The Organic Pharmacy, said: «We're excited to join the prestigious AXIOMA superyacht team with our exclusive treatments and products available onboard. I've always enjoyed the tranquillity and inner peace that yachting offers, so to partner our luxurious treatments and powerful skincare range with this elegant superyacht just seemed so...organic!»

About AXIOMA

72-metre AXIOMA is one of the most exciting yachts on the water. The yacht features stunning beach house-style interior by the legendary late designer Alberto Pinto that contrasts natural woods and luxurious flourishes.

On the main deck, the infinity swimming pool is an outstanding exterior feature, while the open mezzanine in the main saloon creates a real 'wow effect' with its double-height and space. A large round table on the Owner's aft deck offers an amazing alfresco dining. The bridge aft deck features a large Jacuzzi with a swim-up bar, which is surrounded by large sun pads. Further on the bridge deck you will find a fully equipped gym, massage room and steam room. The sundeck features lounging and intimate seating and sunbathing areas with a shower and day head and a BBQ for perfect summer parties. The yacht also boasts a 3D cinema for 8 persons situated on the lower deck.

AXIOMA accommodates 12 guests in a master suite, VIP suite and four guest double cabins, two of which are convertible into twins.
